Debt Sustainable Framework

FONPLATA’s Core Strategic Pillars and Business Plan

Five strategic pillars

- Institutional Efficiency
- Functional Specialization
- Strategic Complementarity
- Value Creation
- Financial Soundness & Growth

Target sectors

- Small – to medium size Projects: US$50-60mm per project
- Focus on vulnerable zones, border regions and integration
- Grants through Technical Assistance

Strategic business orientation

- INFRASTRUCTURE: Road and Logistic, Small Cities Urban Development and Energy
- PRODUCTIVE DEVELOPMENT: Production, Financial Services and SMEs
- SOCIAL AND GREEN FIELD: Health and Education, Water and Sanitation and Environment
Strong Commitment and Responsibility to Social and Environmental Issues: A Sustainable Bank

Recognizing the urgency to foster responsible investing for present and future generations

- Aligning its Institutional Strategic Plan (2022-2026) according to the Paris Agreement 2030 Agenda based on SDGs.

- Environmental and Social Policy based on international standards and best practices.

- Green Fund facility to promote member countries to implement environmental components in sound projects.

- Economic Reactivation Facility to spark the economic recovery after the COVID-19 outbreak crisis.

FONPLATA is most active with the following SDGs:

Source: FONPLATA as of December 31, 2022.

FONPLATA plays a vital role in supporting countries’ efforts to achieve SDGs through financing and assistance for projects and programs in the public sector.
Robust Governance Structure
Control and Oversight Structures

Board of Governors (BoG): Finance or planning ministers of member countries
- Key functions include admission of new members, changes to capital structure, modifications to the Charter and to the Board of Directors
- Appoints external auditors, approves the audited financial statements, the annual budget, and the allocation of net income

Board of Executive Directors: Representatives of member countries
- Approves financings, policies, and authorizes the contracting of debt
- Approves organizational changes at executive levels and reviews budgets prior to submission to the BoG

Audit Committee: Chaired by one of the Executive Directors, integrated by the Board of Directors
- Reviews FONPLATA’s annual report and financial statements, with the corresponding external auditor’s opinion, before submission to Board of Governors
- Current External Auditors: Ernst & Young

Executive President: Appointed for a 5-year period by the Board of Governors
- Highest authority responsible for FONPLATA’s overall supervision and management
- Chief of staff
- Appoints/terminates staff
- Authority to approve loans up to US$5mm

Sustainable Debt Framework

- Published in December 2021 to guide future issuances of Green, Social and Sustainability Debt, including bonds, loans or other financial instruments
- Second Party Opinion (SPO) from Sustainalytics remarks the robustness and transparency of the Framework.
- This Debt Framework is aligned with the four core components of Green Bond Principles, Social Bond Principles & Sustainability Bond Guidelines of 2021 as administered by the International Capital Markets Association (ICMA)

The Sustainable Debt Framework defines “eligible” Social & Green categories as:

Social:
- Access to Essential Services
- Affordable Basic Infrastructure
- Food Security and Sustainable Food Systems
- Employment Generation and Socioeconomic Advancement

Green:
- Renewable Energy
- Clean Transportation
- Environmentally Management of Living Natural Resources
- Pollution, Prevention and Control
- Sustainable Water and Wastewater Management

- Use of proceeds
- Process for project evaluation and selection
- Management of proceeds
- Reporting

   ✓ 6-fold increase of subscribed capital in the last 5 years to spark lending capacity
   ✓ Willingness to incorporate new members, furthering commitment to regional development

3. Proactive Focus on Risk Management
   ✓ Updated and robust governance and risk management procedures
   ✓ Prudent financial and risk management policies
   ✓ Continuous assessment of the overall effectiveness of control and risk management processes

4. Strong Financial Position with High Capitalization and Substantial Liquidity
   ✓ Strong capitalization reflected in its Capital Adequacy Ratio of 51%
   ✓ Consistent and diversified portfolio growth
   ✓ High Liquidity levels reported in line with Financial Policies

5. Sound Financial Performance Supported by High-Quality Assets
   ✓ Proven preferred creditor status
   ✓ Historically superior asset performance
   ✓ High quality loan portfolio with 0% NPLs during FONPLATA’s history
Projects Snapshhoots
Projects Snapshot

AYSA, Argentina 💙
To help improve the quality of life of the inhabitants of vulnerable populations through access to water and sanitation, promoting economic, social development and environment protection.

Indaiatuba, Brazil 💚
To contribute to the adaptation to climate change, through the expansion of coverage of drinking water, protection of riverbanks, among others.

Harvesting water - sowing light, Bolivia 💙
To improve the quality of life of families in dispersed rural communities in conditions of poverty and extreme poverty, facilitating access to basic services in a sustainable manner.

Belgrano Sur, Argentina 🌿
To improve mobility and connectivity of transport services (train) in the metropolitan area of Buenos Aires towards the central area of the autonomous city of Buenos Aires.

Bioceanic Highway, Paraguay 🚗
To contribute to the economic development and integration of four Latin American countries (Argentina, Brazil, Paraguay and Chile) by improving the vehicular connectivity of a highway that will join the Atlantic and Pacific Oceans.

Port of Montevideo, Uruguay
To improve the competitiveness and efficiency of the Port of Montevideo to meet the needs of foreign trade expansion in a horizon of no less than 30 years.
