families**

Robust Governance Structure

Control and Oversight Structures

Board of Governors (BoG):
Finance or planning ministers of member countries

- Key functions include admission of new members, changes to capital structure, modifications to the Charter and to the BoD.
- Appoints external auditors, approves the audited financial statements, the annual budget, and the allocation of net income.

Board of Executive Directors (BoD):
Representatives of member countries

- Approves financings, policies, and authorizes the contracting of debt.
- Approves organizational changes at executive levels and reviews budgets prior to submission to the BoG.

Audit Committee:
Chaired by one of the Executive Directors, integrated by the BoD

- Reviews FONPLATA's annual report and financial statements, with the corresponding external auditor's opinion, before submission to BoG.
- External Auditors: Ernst & Young

Executive President:
Appointed for a 5-year period by the BoG

- Highest authority responsible for FONPLATA's overall supervision and management.
- Chief of staff
- Appoints/terminates staff.
- Authority to approve loans up to USD 5mm.

Preferred Creditor Status

A Strategic Pillar for FONPLATA's Financial Strength and Credit Standing

As a Multilateral Development Bank, FONPLATA benefits from a *de facto* seniority under its Preferred Creditor Status—essential to preserve financial strength

Proven Preferred Creditor Treatment

Spotless track record of loan repayments despite adverse circumstances

(*) Rating assigned by S&P (above) and Moody's (below)

FONPLATA Maintains One of the Strongest Credit Profiles in Latin America

Strong Commitment and Responsibility to Social and Environmental Issues: A Sustainable Bank

Recognizing the urgency to foster responsible investing for present and future generations

Loan Portfolio Breakdown by SDGs – Number of Projects

FONPLATA is most active with the following SDGs:

Note: Preliminary Data as of December 31, 2024.

FONPLATA plays a vital role in supporting countries efforts to achieve SDGs through financing and assistance for projects and programs in the public sector.

Aligning its Institutional Strategic Plan (2022-2026) according to the Paris Agreement 2030 Agenda based on Sustainable Development Goals (SDGs).

Environmental and Social Policy based on international standards and best practices.

Green, Gender and Youth facilities to promote member countries to implement environmental components in sound projects as well as gender equality.

A Sustainable Debt Framework, under which the Bank intends to issue Sustainable Financing Instruments to finance and/or refinance existing and future projects.

FONPLATA's Sustainable Debt Framework

The framework defines the following areas as eligible social and green categories:

Social:

- Access to essential services
- Affordable basic infrastructure
- Food security
- Employment generation and socio-economic advancement

Green:

- Renewable energy
- Clean transportation
- Sustainable management of natural resources
- Pollution prevention and control
- Sustainable water and wastewater management

"The FONPLATA Development Bank's ("FONPLATA") internal process for evaluating and selecting projects is overseen by a Sustainability Committee comprised of team members from Finance, Operations, Strategic Partnerships, Risk & Compliance and Legal. The Committee is responsible for the final approval of eligible projects. FONPLATA's has a dedicated environmental and social risk mitigation process that is applicable to all allocation decisions made under the Framework. Sustainalytics considers this risk assessment and mitigation process to be strong and to be aligned with market best practice. Sustainalytics considers the project selection process to be in line with market practice"

Conservative Leverage Ratios

FONPLATA borrowings and leverage

(In millions of USD)

(*) Leverage defined as debt divided by net equity

Note as of December 2024:

Debt/Asset = 43%

Debt/Net Equity = 79%

Financial Policy Limit	
Maximum Leverage*	Leverage 12/2024
2.4	0.8

The increase in borrowings is supported by a strong liquidity and capital position

Source: Audited Financial Statements as of December 31, 2024.

(*) Maximum Leverage = 2 times equity plus liquid assets.

Strong Capital Base

Equity structure and key metrics

(In millions of USD)

Solvency based on capital contributions and generation of financial results

Continuous Shareholder's Support

(Capital, in millions of USD)

- In February 2024, the Board of Governors approved a General Capital Increase, doubling FONPLATA's authorized capital from USD 3.0 billion to USD 6.5 billion. This milestone enables the future full subscription of capital by Member Countries, the incorporation of new partners, and strengthens the Bank's lending capacity and long-term financial sustainability.
- The 2nd GCI finishes integrating the pending paid-in capital by 2026.

New GCI roadmap:

- Subscriptions in 2025
- Integration of paid-in beginning in 2027

3. Funding Strategy

4. Concluding remarks

Concluding Remarks

A) Strong Capital Adequacy

- ✓ FONPLATA boasts a **very strong risk-adjusted capital ratio**, outperforming regional peers, supported by prudent portfolio rebalancing and consistent shareholder contributions.

B) Top LATAM Credit Rating

- ✓ FONPLATA holds **A/A2 ratings from S&P and Moody's**, both with stable outlooks, reflecting robust liquidity, consistent shareholder support, and its **preferred creditor treatment** (PCT) status.

C) Diversified Funding

- ✓ Highlights include **successful sustainable bond issuances in 2024** and an **auspicious kick-off of the recently established MTN program**, enhancing diversification across currencies, markets, and thematic issuances while reducing borrowing costs..

D) Policy Relevance

- ✓ A **USD 3.5 billion capital increase** reinforces FONPLATA's regional role, with funds dedicated to advancing MERCOSUR integration and infrastructure development.

E) Exceptional Portfolio Quality

- ✓ **Zero non-performing loans (NPL)** and no write-offs since inception, underscoring FONPLATA's disciplined lending practices and strong risk management.
