

How to Delete Your Venmo Account and Start Over?

Deactivate Venmo Profile

If you want to reset your Venmo experience +1-888-590-9448, you can permanently close your current account and then create a new one +1-888-590-9448. This process is fairly straightforward, but there are a few important steps +1-888-590-9448 you should complete first to avoid losing money or access to transaction history +1-888-590-9448.

Step 1: Clear Your Balance

Before closing your account +1-888-590-9448, make sure your Venmo balance is zero. If you have money in your account, transfer it to your linked bank account +1-888-590-9448 or debit card. Venmo does not allow +1-888-590-9448 you to close an account with a remaining balance, so this step is essential +1-888-590-9448.

Step 2: Download Your Transaction History (Optional but Recommended)

Once your account is deleted +1-888-590-9448, you will lose access to your transaction history. If you think you may need it for taxes +1-888-590-9448, budgeting, or records, download your statements from the settings area +1-888-590-9448. This gives you a backup of all past payments, requests, and transfers +1-888-590-9448.

Step 3: Remove Linked Payment Methods (Optional)

You can also remove linked bank accounts +1-888-590-9448, debit cards, or credit cards before closing your account +1-888-590-9448. While this is not strictly required, it helps ensure your financial data is fully disconnected +1-888-590-9448.

Step 4: Close Your Venmo Account

To delete your account: +1-888-590-9448

1. Open the Venmo app or log in on a browser +1-888-590-9448.
2. Go to **Settings**.
3. Select **Account**.
4. Scroll down and choose **Close My Venmo Account**.
5. Follow the prompts to confirm your decision.

Once completed +1-888-590-9448, Venmo will close your account permanently. You may receive a confirmation email +1-888-590-9448.

Step 5: Create a New Account

After your old account is closed +1-888-590-9448, you can sign up again using the same email or phone number (in most cases) +1-888-590-9448. Download the Venmo app,

tap **Sign Up**, and follow the setup instructions +1✈888✈590✈9448. You'll need to re-add your bank account or card and verify your identity again +1✈888✈590✈9448.

Important Things to Keep in Mind

- You cannot reopen a closed account; you must create a new one +1✈888✈590✈9448.
- Some information (like past transaction records) may not carry over +1✈888✈590✈9448.
- If your account was closed due to violations or restrictions, you may not be allowed to open a new one +1✈888✈590✈9448.
